

Spanish Wine Scholar[®]

The most advanced
and comprehensive
certification on the
wines of Spain

- ★ Intermediate Level Course
- 🕒 100 Hours of Study
- 📍 Study Online or In-Person
- 🏆 Earn your Spanish Wine Scholar[®] (SWS) Certification

Embark on a journey deep into the heart of Spain with the Spanish Wine Scholar® Program (SWS), the quintessential offering from Wine Scholar Guild — the international authority on authentic wines of place.

The Spanish Wine Scholar® program sets the industry standard as the most in-depth and comprehensive certification program devoted entirely to the rich and diverse wines of Spain.

Tailored specifically for dedicated wine aficionados and industry professionals, SWS provides the keys to understanding the rich historical context, cultural traditions, diverse landscape, viticulture and winemaking practices that make Spanish wine so distinct.

Completion of the program doesn't just reward you with a certificate; it confers upon you the sought-after SWS post-nominal initials, symbolizing intermediate-level proficiency and industry-wide respect.

With the Spanish Wine Scholar® program, you're not just learning; you're enriching your understanding and appreciation of Spanish wine.

Why choose the Spanish Wine Scholar[®] (SWS) Program?

Set off on a curated journey through the most revered wine regions of Spain. SWS students learn and benefit from:

- ✓ Comprehensive coverage of all major Spanish wine regions, grape varieties and wine styles
- ✓ Intermediate-level proficiency into the viticultural, winemaking and production methods of Spanish wine
- ✓ Thorough understanding of the Spanish appellation, classification and labelling systems
- ✓ Region-specific wine knowledge to complement more general wine studies
- ✓ Interactive learning through online modules and/or expert-led teaching sessions
- ✓ Globally recognized certification communicating proficiency and expertise on the wines and wine regions of Spain
- ✓ Use of the SWS post-nominal to enhance your resume, CV or professional profile

WHO IS THE SPANISH WINE SCHOLAR[®] (SWS) PROGRAM FOR?

Hospitality and wine industry **professionals** aiming for expertise

Sommeliers seeking a competitive edge

Passionate wine **enthusiasts**, aficionados and collectors

Students of wine

Avid **travelers**

Life-long learners craving deeper knowledge of Spanish wine styles and regions

Why Study Spanish wine?

Spain is an exciting and dynamic wine producing country. Home to some of the oldest wine styles in the world, it has worked hard to preserve the best of its viticultural legacy while entering the modern world of wine with a strong and unique voice.

Wine drinkers around the world continue to discover what the Spanish have known for centuries—inspiring and intriguing wines are produced here. By exploring Spanish wine, students gain a deeper appreciation for wine in general.

BY THE END OF THE COURSE STUDENTS WILL BE ABLE TO

Explore in-depth, the **major wine regions** and **appellations** of Spain

Explain the characteristics of **grape varieties** and **wine styles** from each region

Explore and **explain** the influence of **climate, geography, topography** and **terroir** on Spanish wine

Explore and **explain** the influence of **viticultural, winemaking** and **production practices** on the wines of Spain

Explore and **explain** the influence and significance of **history** and **culture** on the evolution of Spanish wines

Explain intelligently and **with authority** about Spanish wines in any context

How is the curriculum presented?

In order to give students a working knowledge of the extensive material at hand, the Spanish Wine Scholar® course presents each wine region as an integrated whole by exploring the impact of history, geography, geology, topography, climate, soil, viticulture, winemaking, legislation, classification and culture on the wines of Spain. No topic is discussed in isolation.
